

Table 1A
2015 NC Marketplace Silver Plans
Cost Sharing Reduction plans for consumers with incomes 100-150% FPL

Explanatory Note: This table shows cost sharing reduction plans for people with incomes 100-150% FPL. The first column, “Plan Marketing Name,” shows the name of the plan as it will appear in healthcare.gov. The second column, “Cost Sharing Reduction Version,” shows the name that may appear in official paperwork relating to the plan, including the Summary of Benefits and Coverage (SBC), correspondence, or insurance card. Other columns show the deductibles, maximum out of pocket (for an individual plan), and drug cost sharing. The information in this table should be verified before making enrollment decisions.
